## An overview of our services

We offer a range of solutions to help you manage your work-life balance.

### 1 | Childcare

No matter whether it's short or long-term, you want to be certain your child is always in the best hands. We can help you arrange:

Nannys, babysitters, tutors, childminders, au-pairs

### 2 | Holiday activities

Childcare and fun all in one – give yourself and your child a holiday.

We can arrange for you::

Language holidays, Summer camps, Sporting holidays

We can also support you in arranging in-house activities such as:

Group holidays

### 3 | In-house childcare

Through our partners AWO we can arrange long-term daycare centre places as well as short-term care in other suitable establishments. That way you know you're covered for childcare needs even outside of daycare centre hours.

### 4 | Senior care

We offer advice and support in choosing between nursing care insurance providers including:

- Extensive overviews of individual establishments
- Information on prices, facilities and availability of establishments
- Provision of senior carers for your own household

### 5 | Pet, house and garden care

If you're looking for help around the house and garden or need someone to look after your pets while you're on holiday, we can offer you customised solutions for:

Petsitting, household help, cleaning services, gardeners, housesitters

## Here's how simple it is

There's two ways to use our services:

### 1 Unlimited access to our online database of carers

- Register here: <http://mpg.betreut.de>
- You'll receive an email with an activation link to let you confirm your registration.
- Now you've got unlimited and free access to all of the care categories on our platform and can search for local carers.

### 2 Personal advice and carer search

- We'll give you an individual contact person to help you find and arrange care including emergency/last-minute care and longer term solutions.
- Searching through a selection of our providers including interviews and security checks.

We can also provide personal assistance in the following areas:

Advice on nursing home places, arranging day-care centre places for children

## Here's how quick it is

Here's how you can find a suitable carer quickly and easily:

#### Step 1

Register on our platform.

#### Step 2

Place a search listing on your profile page.

#### Step 3

Describe what you're looking for as precisely as possible. This gives carers a clear idea of your requirements and makes finding a suitable match easier.

#### Step 4

You'll receive offers from suitable carers via email within three days.

#### Step 5

Choose the right care provider for you.
